JEX PC BASE

Гамата продукти на VIVALUX се обогатява с новата серия корпуси JEX. Тя предлага богато разнообразие от модели подходящи за употребата на LED тръби с един активен край или традиционни флуоресцентни лампи. Корпусите JEX намират приложение при проектиране осветлението на големи складови помещения, обществени гаражи и др.

VIVALUX range of products expands with the new series of base fixtures JEX. It offers a rich variety of models appropriate for use either with single end active LED tubes or traditional fluorescent tubes. JEX bases find application in lighting projects for large warehouses, community garages etc.
