NEW

### New generation processor and more memory:

Up to 4X faster responsiveness lets you swipe, zoom and use features without delays or distortion

# Made for your large vehicle

TomTom GO Expert features:

## Improved custom routing

Stay on the right road with routes tailored to your vehicle's size, weight, cargo type and max speed

## Live restriction alerts

Receive timely warnings for ADR tunnels, bridge heights, UN Class restrictions and more

## Unbeatable TomTom world maps

Drive worldwide in total confidence with the most accurate, up-to-date maps on the market

## Moving lane guidance

Get in the right lane with enough time ahead of highway exits and complex intersections

## TomTom Traffic & 1-year Speed Camera alerts (World)

Avoid delays with real-time traffic updates. Drive safer with jam tail warnings and speed camera alerts

## Improved dedicated POIs

Find 50,000+ fuel stations, parking spots and service centers, specifically for large vehicles

## Multi-drop routing

Easily add multiple drop-offs to your route, so you can get from A to B (and C and D) without stopping to reroute

## Powerful speaker

Vivid sound for crystal-clear navigation. Powerful speaker cuts over the noise of large vehicles and highways, for a safer drive

## Voice control

Control your TomTom GO Expert with voice commands. Keep your hands safely on the wheel and your eyes on the road

# Plan your trip with ease

## TomTom MyDrive

Plan routes, add multiple drop-off points, check live traffic and save favorite routes from your smartphone, tablet or PC with TomTom MyDrive. Routes are synced automatically to your TomTom GO Expert sat nav – just get in your vehicle and you're ready to go
