

STRIPCOLL

ALIPHATIC CLEANER FOR ADHESIVE RESIDUES OR SPORTIVE FLOORING

Aliphatic solvent-based cleaner particularly suitable to remove residual traces of adhesives overflowed on the surface of untreated wood, prefinished or laminated; it can be used in presence of mono or two component adhesive even if dry.

STRIPCOLL is particularly suitable also for the professional cleaning of coated sportive wooden floors; it permits easy removing of intense dirt, for example black heel marks or bitumen based substances.

Technical Data

Technical characteristic (20°C – 60% H.R.)			
Appearance	Colourless liquid	Employ temperature	> 10 °C
Specific gravity	0,840 gr/cm ³	Symbols of danger	Xn
Solubility	Not soluble in water	Dilution	READY TO USE
Packaging	Bottle 1lt		

Employ modality

To clean residues of adhesives.

Wet a clean cloth with STRIPCOLL and treat the overflowed or exceeding adhesive until it becomes softer; then remove the adhesive avoiding rubbing.

In case of hardened adhesive pour some drops of product and cover with a cloth for few minutes; then remove the adhesive avoiding rubbing.

N.B. Thought STRIPCOLL has got a specific action, it is always advisable to test the resistance of the varnish below.

Cleaner and detergent for coated sportive wooden floors.

For an optimal ordinary maintenance (approx. every 7-10 days) clean the varnished sportive wooden floors using a soft pad or a cloth wet with STRIPCOLL.

Specific components favour cleaning action also in presence of bitumen-like substances.

The product is fast drying and it does not need rinsing.

N.B. Thought STRIPCOLL has got a specific action, it is always advisable to test the resistance of the varnish below.

Notes

- ✓ During cleaning take care to frequently replace dirty clothes with clean ones.

Safety Rules

FOR PROFESSIONAL USE ONLY. Strictly respect the information reported on the labels and consult safety data sheets before use.

Reference rule for detergents: Reg.Eu.648/2004.

It contains organic solvents in concentration >30%.

Disposing of waste
