### Special characteristics

- Weather proof
- Easy to set up for every application

# Highlights

## Ultra long bulb life

Philips bulb included with an ultra long bulb life, up to 20.000 hours.

## Energy saving

This Philips light conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## Choose for contemporary style

Designed in Europe, this lamp has a unique design signature to help you create a contemporary outdoor look.

## Choose for pedestal lights

Make the most of your outdoor space with this pedestal light, perfect to light your garden, the edge of your terrace or to accentuate driveways and paths.

## High quality material

This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high quality die-cast aluminum and superior synthetics.

## Weather proof

This Philips outdoor lamp is especially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it is protected against splashing water, this product is most common and ideal for general outdoor use.

## Welcoming warm white light

Philips Ecomoods outdoor is a range of outdoor lamps that creates a beautifully warm welcoming light. The light color temperature is of 2700 Kelvin. It also provides plenty of light for clear visibility so that you can use your outside space however you like after hours, and relax knowing that it'll be safe and secure throughout the night.

## Easy to set up

This lamp and the fittings are designed for a straightforward installation with all useful things that you need to get up and running included in the box, like a Torx key and Torx screw. You'll find clear guidance about where you can install the product and relevant information about water-resistant IP ratings.
