Highlights

Diffused warm white light

This light uses the latest energy-saver lamp technology by Philips to provide a flood of warm white natural light. Its diffused light will illuminate your room with warm white light, allowing you to combine functionality and respect for the environment. Diffused light is perfect for general illumination.

Dimmable

Adjustable light intensity with dimmer switch. This makes Philips SmartSpot lighting fixtures ideal for highlighting a feature or creating an ambience for any occasion, whether a cosy meal à deux or chilling out with family and friends in your living-room or

offering functional light in corridors for example.

Easy lamp replacement

The extra twist to SmartSpot energy saving recessed spots: the magnetic cover plate to ensure an extra easy lamp replacement, when needed after some years.

Extremely long life

Long-lasting lamp life, up to 10.000 hours in use.

Premium material

Philips SmartSpot lighting fixtures are constructed from high quality materials like die-cast aluminium.

Saves up to 80% energy

Every Philips SmartSpot lighting fixture conserves energy, helping you to save money on your electricity bills and do your bit for the environment.

Sleek and discreet designs

These modern lamps with recessed styles are sleek and discreet, and fit perfectly into ceilings with no jutting edges or awkward shapes to distract from the décor of your room.

Warm white light effect

SmartSpot uses the latest energy saver lamp technology to provide a flood of warm white natural light.
