## REACH Declaration

### **DECLARATION OF CONFORMITY**

Filamentive Limited declares that all of its filament products are produced in accordance with all applicable chemicals laws - with special reference to the REACH Regulation (EC).

Filamentive Limited declares all possible existing obligations in connection with the registration, evaluation and authorisation of substances are met.

Filamentive Limited provides all customers with the necessary information regarding their filaments. Material Safety Data Sheets are supplied by Filamentive Limited to the customer upon request.

### **SUBSTANCES OF VERY HIGH CONCERN (SVHC)**

Filamentive Limited declares that no substance categorised under REACH as Substance of Very High Concern (SVHC), thus classified and filed in the substance list Annex XIV or in the related Candidate List, version 07 July 2017 <https://echa.europa.eu/candidate-list-table> is present (> 0.1% w/w) in its' filaments.

Filamentive Limited - and all relevant suppliers and partners - will continue to monitor the substance list in relation to its' filaments and will inform its customers if changes occur.
