

Изискан дизайн и мощност, съчетани в един продукт с висока степен на защита от външни влияния (IP65), са качествата, които превръщат прожектора TREND в стилно и практично решение за екстериора на всеки дом или промишлен обект.

Elegant design and power, combined in a product with high ingress protection of external influences (IP65), are the qualities, which make the floodlight TREND a stylish and convenient solution for the exterior of every home or industrial plant.
