

Сериите панели за външен монтаж DARS LED и HUGO LED са модерно и елегантно решение за осветление в съвременните жилища, хотелски, търговски, офисни и административни сгради. Панелите са предназначени за монтаж върху стандартни и окачени тавани, както и върху стени и представляват идеален заместител на традиционните осветителни тела.

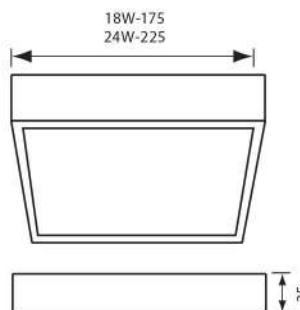

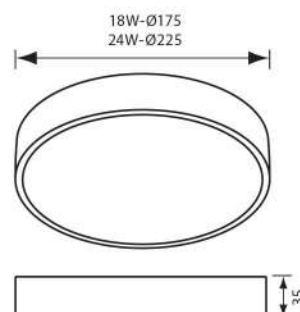

The series surface mounting panels DARS LED and HUGO LED are modern and elegant solution in the contemporary homes, hotels, shops, office and other administrative buildings. The panels can be mounted either on standard or on suspended ceilings but also on walls and they are an ideal alternative of the traditional lighting fixtures.
