

The VWW2255POP-L is purpose designed for easy and fast servicing of recessed video wall installations. The simple one touch „pop out“ mechanism allows full extension of the display out of the videowall so access and servicing can be performed quickly and safely.

FEATURES

- Tool-less independent 8-point micro-adjustment provides seamless alignment of the displays.
- Pull-out/prop-open mechanism provides quick and easy access for servicing.
- Open Frame design allows full electrical wiring access and integrated cable management strips make display-to-display cabling simple.
- Adjustable VESA mounting patterns from 100x100 up to 600x400.
