

Screen Cleaner

gentle
without leaving residues

WEICON Screen Cleaner is a special cleaner for the cleaning and care of sensitive plastic and glass surfaces. It is antistatic and antireflective. Its antistatic effect provides a dirt and dust-rejecting surface.

WEICON Screen Cleaner gently removes contamination caused by insects, dirt, dust, grease and nicotine without leaving streaks.

WEICON Screen Cleaner can be used on all flat and plasma screens (computers, mobiles, laptop computers, televisions, scanners, copy machines, etc.) and plastic housings (on computers, scanners, copy machines or televisions).

ISSA: 53.402.21
IMPA: 45 08 07

Technical data

Colour	white
Odour	almost odourless
Temperature resistance	--- °C
Shelf life (minimum)	24 months
Special features	Also suitable for sensitive plastic and glass surfaces

Processing

Only for cleaning switched-off and cooled-off appliances (pull out mains plug). Shake can before use. Spray Screen Cleaner onto a soft, lintfree cloth. Clean the surface only with light pressure. Repeat process if necessary. Make sure that the material does not penetrate into the inner parts of electrical appliances.

Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding +50°C.

Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation.

We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.

Health and Safety

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.
